

Potential Items for Inclusion in 2017 CEWG Annual Report

For Discussion
January 17, 2018

1. ALS
 - Discussion of request and Dr. Fisher letter and final report from DOH issued.
2. Regulatory Engineering
 - Ongoing discussions
3. CEWG Website
 - Organization & file naming, getting historical documents online
4. National Guard presentation and discussion on how they can help the CEWG
5. Mike's interesting questions and response from Roger McClellan
 - Review meeting summaries to see if other items to highlight
6. Ann Kelleher request, response and Intel environmental award
7. RCRA letter and discussion
8. CEWG one page flyer
 - Can we call it done in 2017?
9. New facilitator
 - Look back to see if noted in previous years
10. Intel update in notification procedure to emergency managers and first responders in the community
