

ACTION-ITEM PROGRESS REPORT

Community Environmental Working Group

September, 2020

“Striving for Continuous Environmental Improvements at Intel”

| TASK | WHO | STATUS |
|--|--|---|
| 1. At the next permit revision, Alex Lowry will ask NMED about revising item A102.B in the air permit to more accurately reflect the facility location. | Alex Lowry | Pending next permit revision |
| 2. Alex Lowry will provide a list of chemicals Intel used in their semi-conductor process. | Alex Lowry | Pending |
| 3. Alex Lowry will check about additional information to share with the CEWG about stormwater runoff requirements and Intel’s activities. | Alex Lowry Erika Edgerly | Discuss whether complete; from 1/19 neighbor concern |
| 4. Alex Lowry will obtain information about any accidents that have occurred at the loading docks and share that information. | Alex Lowry | Pending |
| 5. Jessie Lawrence will follow up on the status of potential participants for a dialogue about next steps related to the Cancer Concerns Committee report. | Jessie Lawrence Dennis O’Mara All | Pending responses from potential participants |
| 6. Intel staff will provide more information about location-specific investigations in response to odor complaints in a written summary or at a future meeting. | Alex Lowry Erika Edgerly | Pending |
| 7. Mike Williams will put together information on air dispersion modeling | Mike Williams | Pending |
| 8. John Bartlit will research swamp coolers, odors, and chemical and physical reactions. Mike Williams will research cannisters. Dennis O’Mara will research the issue in general. | John Bartlit Mike Williams Dennis O’Mara | Pending |
| 9. Jessie Lawrence will contact Chuck Wiggins on his availability for the September meeting and send an update to the group via email. | Jessie Lawrence | Email to Chuck Wiggins 8/21, 8/28 |

Completed Tasks

| | | |
|--|----------------------------------|---|
| Jessie Lawrence and CEWG members will discuss adding drone technology and regulatory monitoring as a future agenda item. | Jessie Lawrence All | Complete 5.15.19 |
| Sarah Chavez will check about getting relevant reports and the judges' handbook from the Environmental Design Contest hosted by NMSU to share with the CEWG. | Sarah Chavez | Removed 8.21.19 |
| Erika Edgerly will share the minutes from a meeting with neighbors about stormwater management with Jessie Lawrence, who will distribute them to CEWG members. | Erika Edgerly Jessie Lawrence | Complete 7.23.19 |
| CEWG members will discuss how they would like to move forward with supporting Louis Scuderi on his research project. | All | Complete 8.21.19 |
| Jessie Lawrence will work with John Bartlit to prepare a draft process to collect ideas and reflections about the CEWG and will share this with CEWG members for review. | John Bartlit Jessie Lawrence | On hold as of 10/19 |
| Jessie Lawrence will put Chuck Wiggins on an upcoming CEWG agenda when his report is available and share the report with CEWG members via email when she receives it. | Jessie Lawrence | Complete 10.16.19 |
| John Bartlit will do initial Internet research on plants as indicators of pollution as a CEWG agenda topic and share the information with Jessie Lawrence. | John Bartlit Jessie Lawrence | Complete 10.16.19 |
| If the National Guard communicates that they are interested in resuming air sampling with the CEWG, work will resume documenting conditions for testing, chemicals, guidance for testing, and testing rationale. | All | Moved to Future Agenda Items list 10.16.19 |
| Sarah Chavez will ask about providing the CEWG with emergency drill descriptions or instructions. | Sarah Chavez | Moved to Future Agenda Items list 10.16.19 |
| Jessie Lawrence will collect questions from CEWG members for Chuck Wiggins via email and forward them at least two weeks before the December meeting | Jessie Lawrence All | Email sent 10.18.19 |
| Dennis O'Mara will invite Louis Scuderi and his graduate students to future CEWG meetings. | Dennis O'Mara | Complete 10.28.19 |
| Dennis O'Mara will share the email from Louis Scuderi with updates on his research progress, and Jessie Lawrence will forward it to the whole group. | Dennis O'Mara Jessie Lawrence | Complete 10.15.19 |
| Jessie Lawrence will add stack testing discussion as a future agenda item | Jessie Lawrence | Complete 10.28.19 |
| Dennis O'Mara will communicate with his contacts about whether they might be willing to discuss their feedback on the Cancer Concerns report, either directly with Charles Wiggins or with the CEWG. | Dennis O'Mara | Complete 4.15.20 |
| John Bartlit will email his notes on his proposed regulatory engineering project to Jessie Lawrence, who will forward them to the group for their consideration. | John Bartlit Jessie Lawrence | Complete 5.1.20 |
| Jessie Lawrence will add Intel's Greenhouse Gas Report to the list of future agenda items. | Jessie Lawrence | Complete 4.20.20 |

| | | |
|--|-----------------|-----------------|
| Jessie Lawrence will post the 2019 CEWG annual report on the CEWG website. | Jessie Lawrence | Complete 5.1.20 |
|--|-----------------|-----------------|
